We observed that
when income was
6,000B

A pink speech bubble with a white drop shadow, pointing towards the bottom-left corner. It contains the text "When income was 5,000B".

When income
was 5,000B

Consumers
spent 5,000B

Consumers
spent 4,250B

In this exercise, you are given a set of observations collected on
consumption expenditures for different income values

In this exercise, you are given a set of observations collected on **consumption expenditures** for different income values
