

What distinguishes a **Capital** good from an **Intermediate** good is that after selling the final good, the producer **still has** the **depreciated** capital good while intermediate goods go entirely into the production of the Final Good

Steel purchased by
Whirlpool

Is an Intermediate good
because it is entirely
included in the
refrigerator you buy

Is a **Capital** Good because
the manufacturer still
has the press after you
purchase the refrigerator

Steel Press purchased
by Whirlpool

What distinguishes a **Capital** good from an **Intermediate** good is that after selling the final good, the producer **still has** the **depreciated** capital good while intermediate goods go entirely into the production of the Final Good
