

**U.S. Export  
soybeans to China**

1

5

To buy 1 dollar the  
Chinese pay 7 Yuan

The U.S. Dollar becomes weaker

Price = 1 dollar/unit

The Chinese pay 7 Yuan  
per unit of soybeans

A red speech bubble with a white background and a red outline. The bubble has a tail pointing towards the top-left corner. Inside the bubble, the text "One dollar buys fewer Yuan" is written in a black sans-serif font. The word "fewer" is highlighted in red.

One  
dollar buys  
fewer Yuan

To buy 1 dollar the  
Chinese pay 3 Yuan

The Chinese pay 3 Yuan  
per unit of soybeans

U.S. goods are now cheaper to the Chinese
