Subsidy

Tax

Effect of ceiling on Consumers

Effect of ceiling on Producers

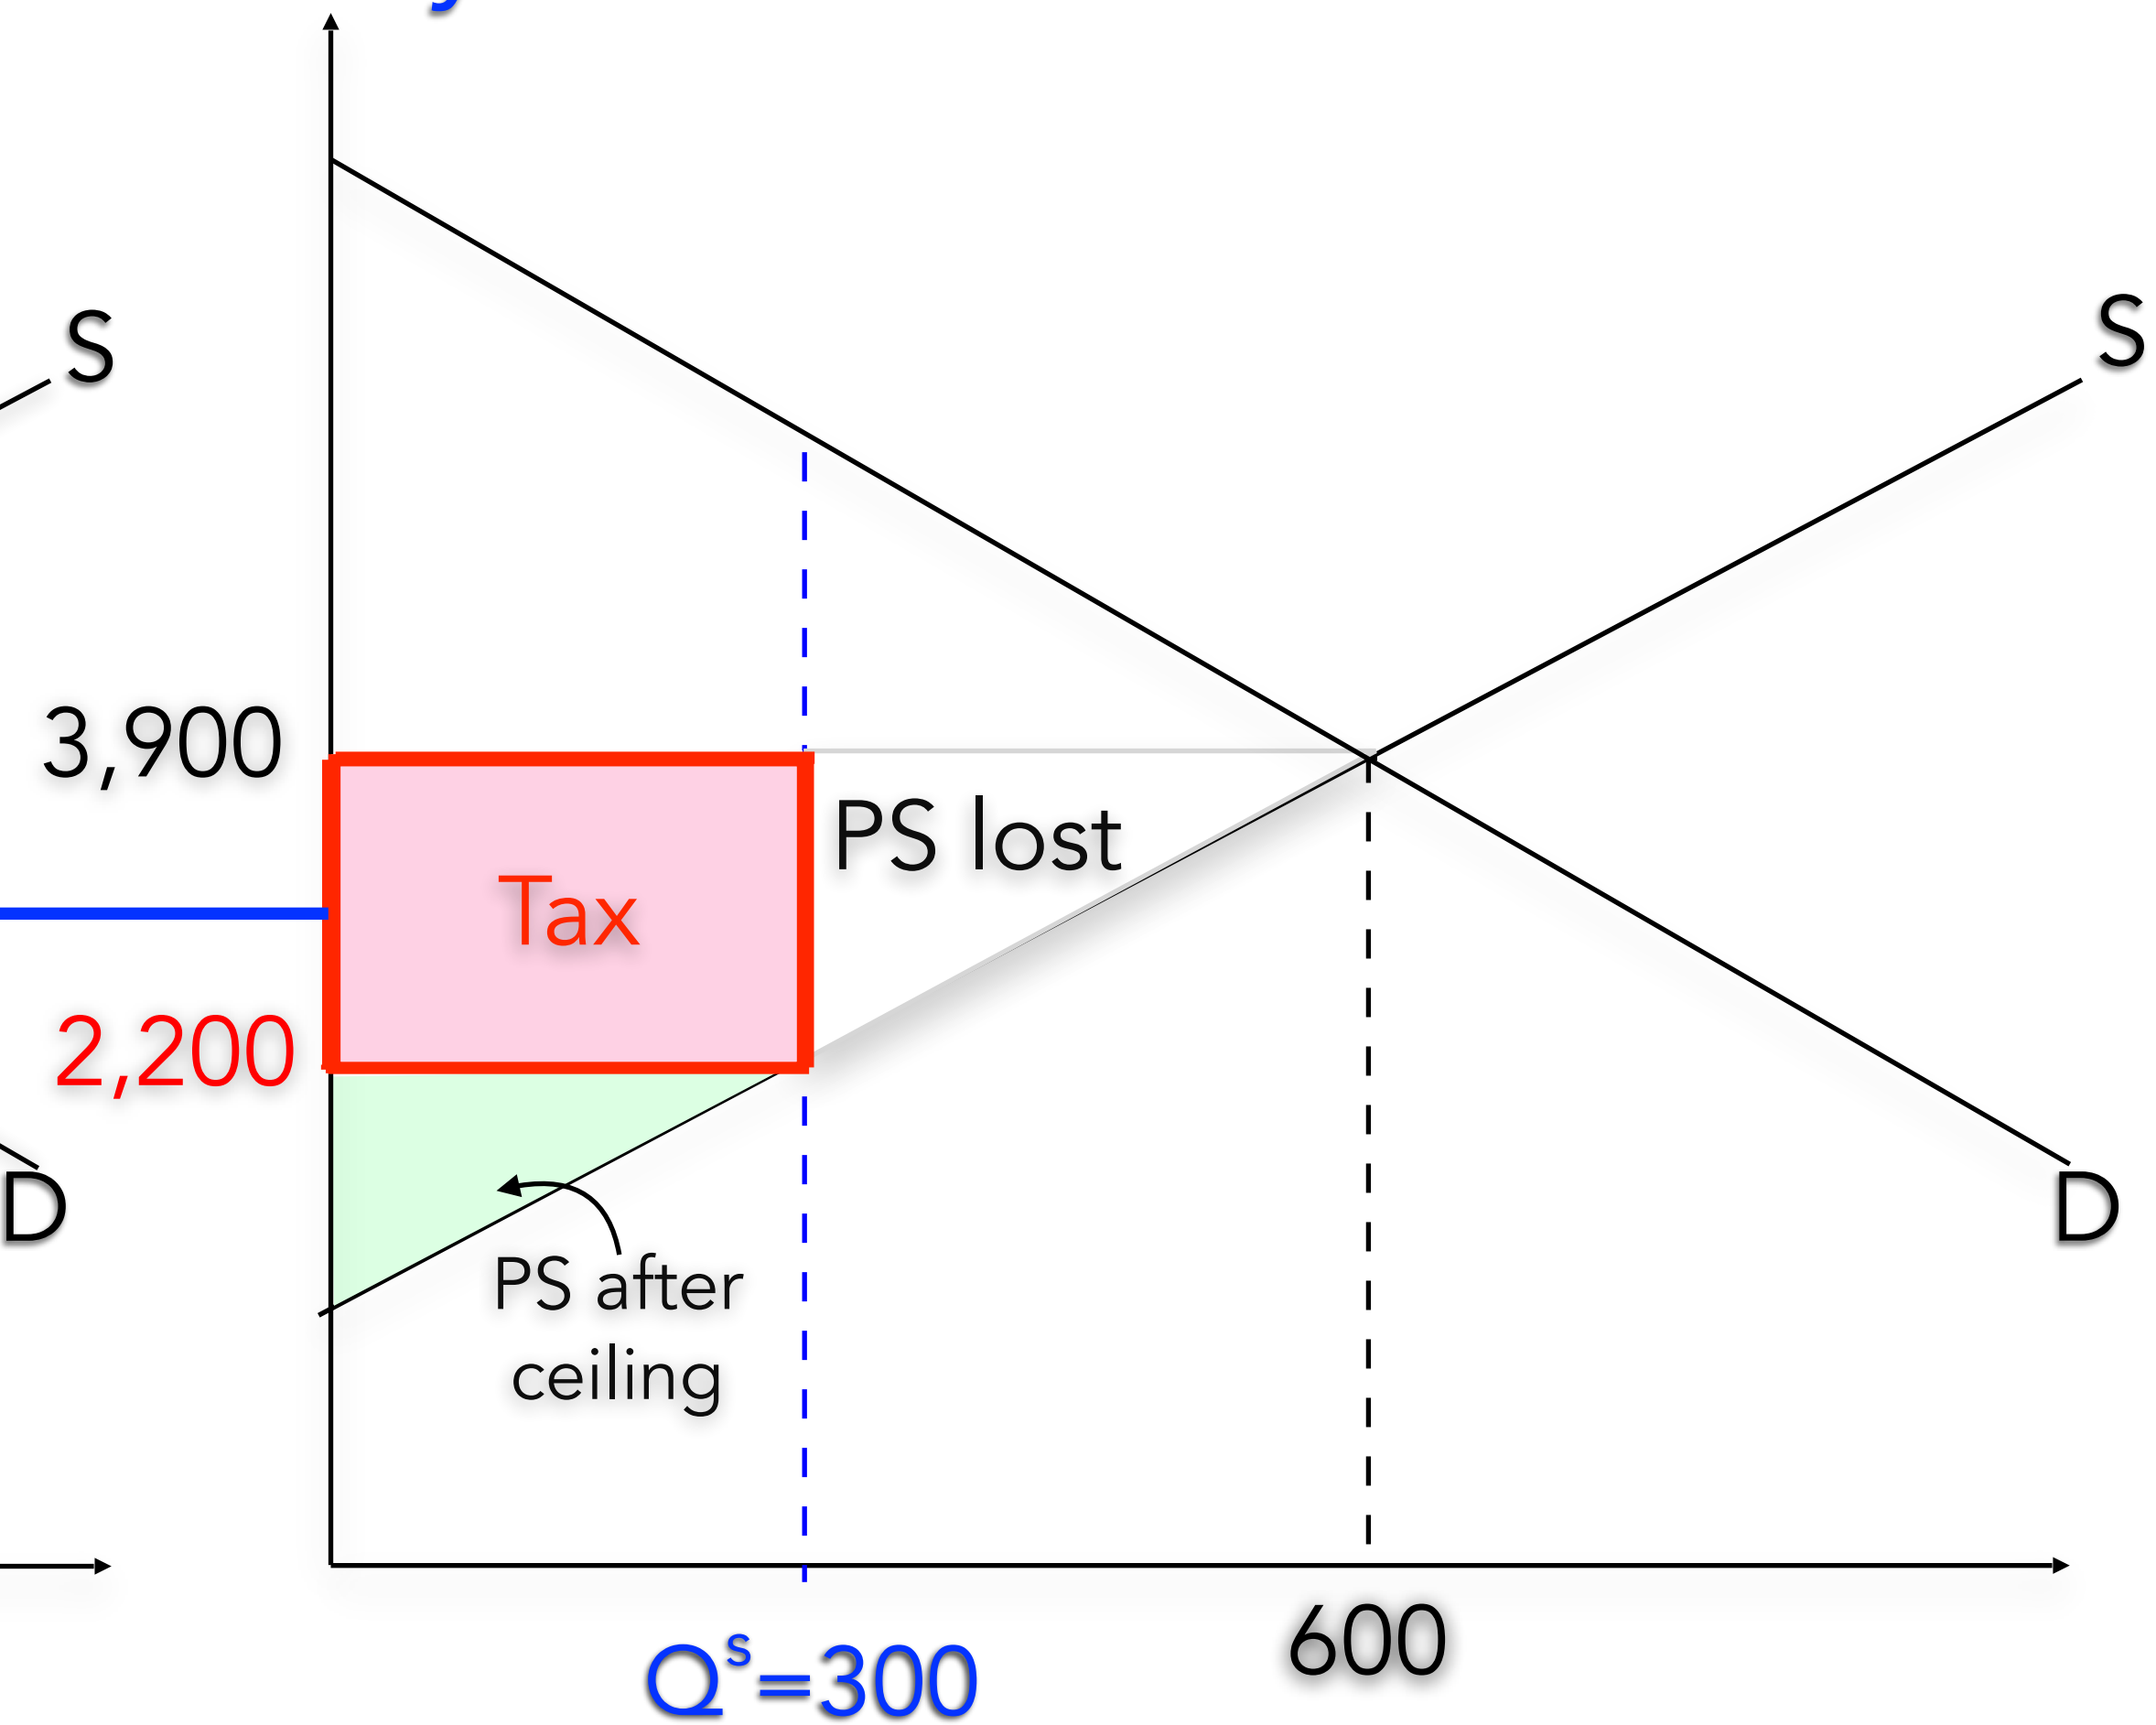

Ceiling results in taking PS from producers (a tax)
and giving it to consumers (a subsidy)

Ceiling has the same effect as imposing a tax on producers and giving a subsidy to consumers

Ceiling has the same effect as imposing a tax on producers and giving a subsidy to consumers

Effect of ceiling on Consumers

Effect of ceiling on Producers

Ceiling has the same effect of imposing a tax on producers and a subsidy to consumers
