We observed that  
when income was  
6,000B

A pink speech bubble with a white drop shadow, pointing towards the bottom-left corner. It contains the text "When income was 5,000B".

When income  
was 5,000B

Consumers  
spent 5,000B

Consumers  
spent 4,250B

In this exercise, you are given a set of observations collected on  
consumption expenditures for different income values

In this exercise, you are given a set of observations collected on **consumption expenditures** for different income values
