Lenders are individuals who need to earn interest on their savings:

◆ Retired individuals who live on the interest of their accumulated savings

✦ Middle age individuals who save for retirement

Banks

Everyone!

Who are Lenders?

A red pentagon outline is centered on a white background. Inside the pentagon, the text "The interest rate is the reward lenders get for postponing consumption" is written in a black, sans-serif font. The word "reward" is highlighted in red.

The interest rate is
the **reward** lenders
get for postponing
consumption

Who are Lenders?

Lenders are individuals who need to earn their savings:

- ♦ Retired individuals who live on their accumulated savings
- ♦ Middle age individuals who save for retirement
- ♦ Banks
- ♦ Financial institutions
- ♦ Everyone!

The interest rate is the **reward** lenders get for postponing consumption
