

\*Countries with over 5m people, freedom status in 2021 <sup>†</sup>In 2021 \$ at market exchange rates, assuming reported 1992 GDP figures are accurate

It is that dictators **lie more** about GDP growth

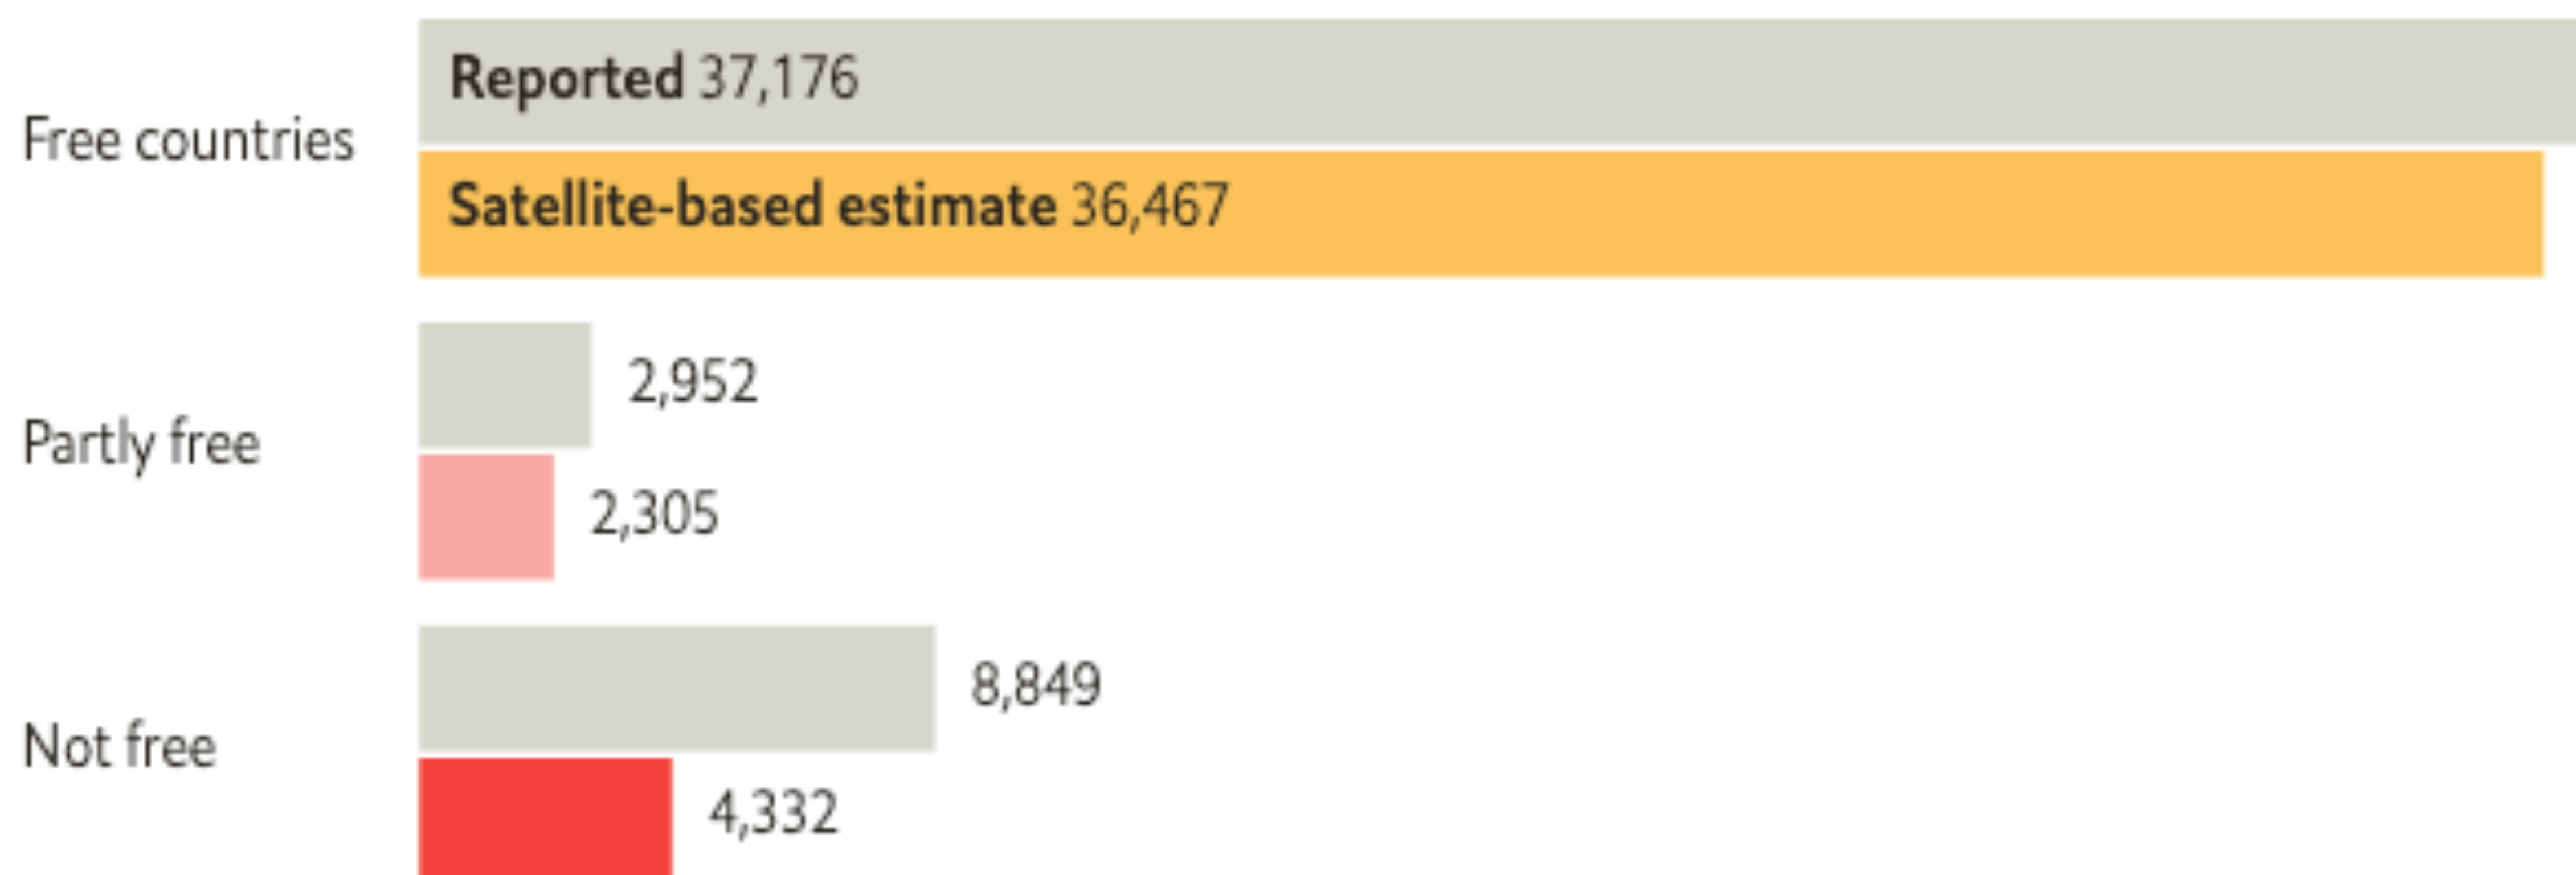

It is NOT that autocrats do better in terms of GDP growth

# It is NOT that autocrats do better in terms of GDP growth

\*Countries with over 5m people, freedom status in 2021 †In 2021 \$ at market exchange rates, assuming reported 1992 GDP figures are accurate

## Average GDP per person, 2021, \$\*

\*In 2021 \$ at market exchange rates, assuming reported 1992 GDP figures are accurate
