

Guessing Inflation is difficult

When past inflation is high and volatile

2

8

Lenders in countries with high and volatile inflation, guess inflation wrong most of the time

A large, light pink speech bubble with a white drop shadow, pointing towards the top right. It contains the text "As it is in Argentina, Uruguay and Venezuela" in a black, sans-serif font.

As it is in
Argentina,
Uruguay and
Venezuela

Guessing Inflation is difficult

When past inflation is high and volatile

As it is in
Argentina,
Uruguay and
Venezuela

Lenders in countries with high and volatile
inflation, guess inflation wrong most of the time
