

Table 1.1.1. Percent Change From Preceding Period in Real Gross Domestic Product

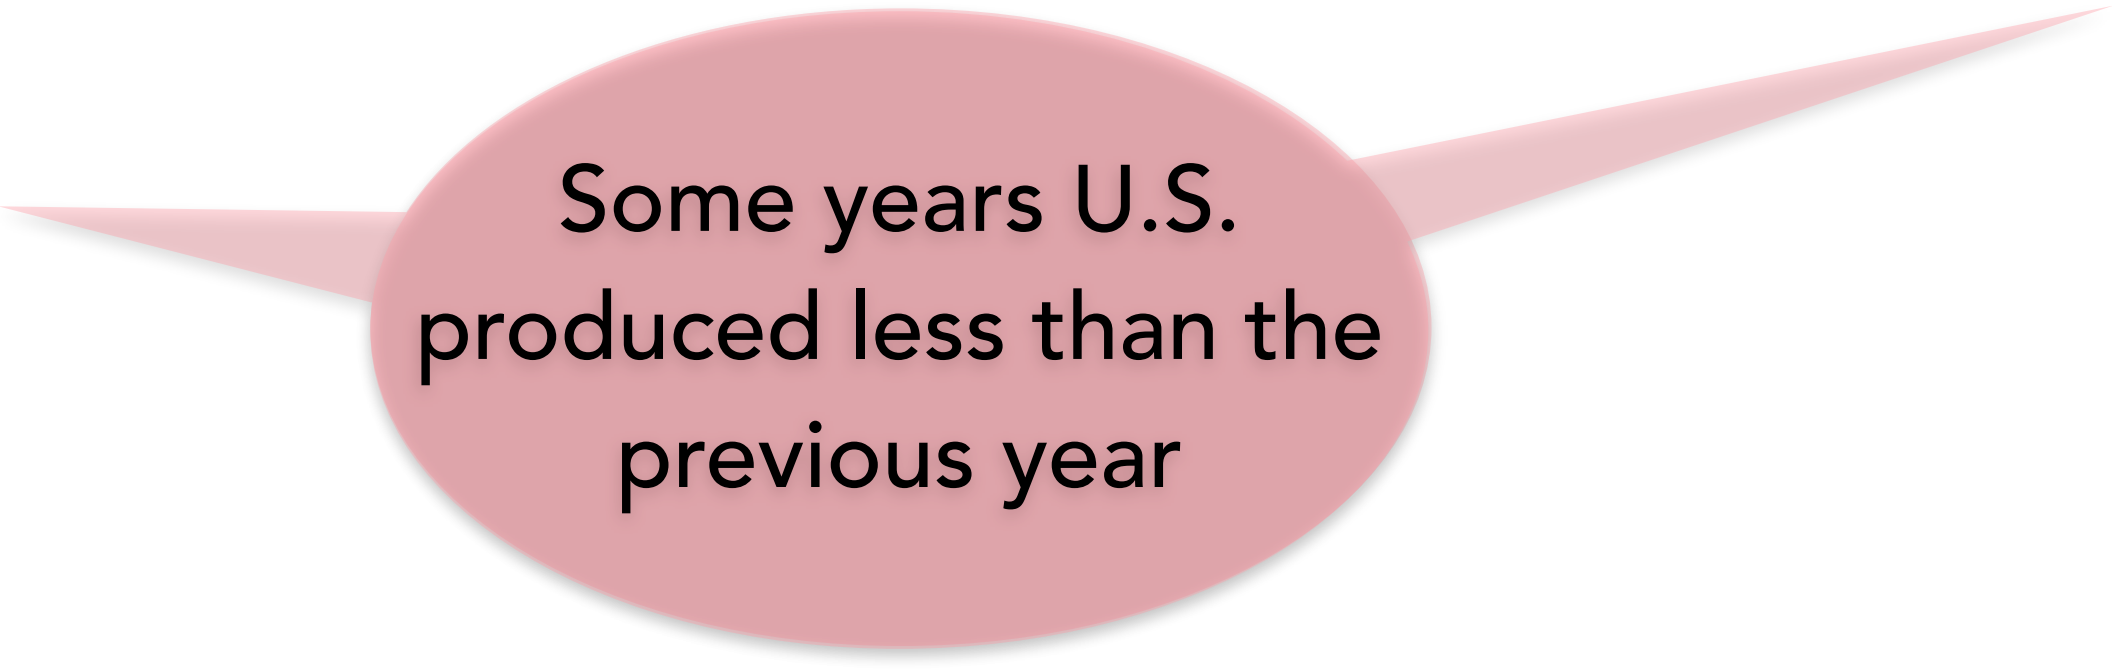

Most years
U.S. produced
more than the
previous year

Some years U.S.
produced the same as
the previous year

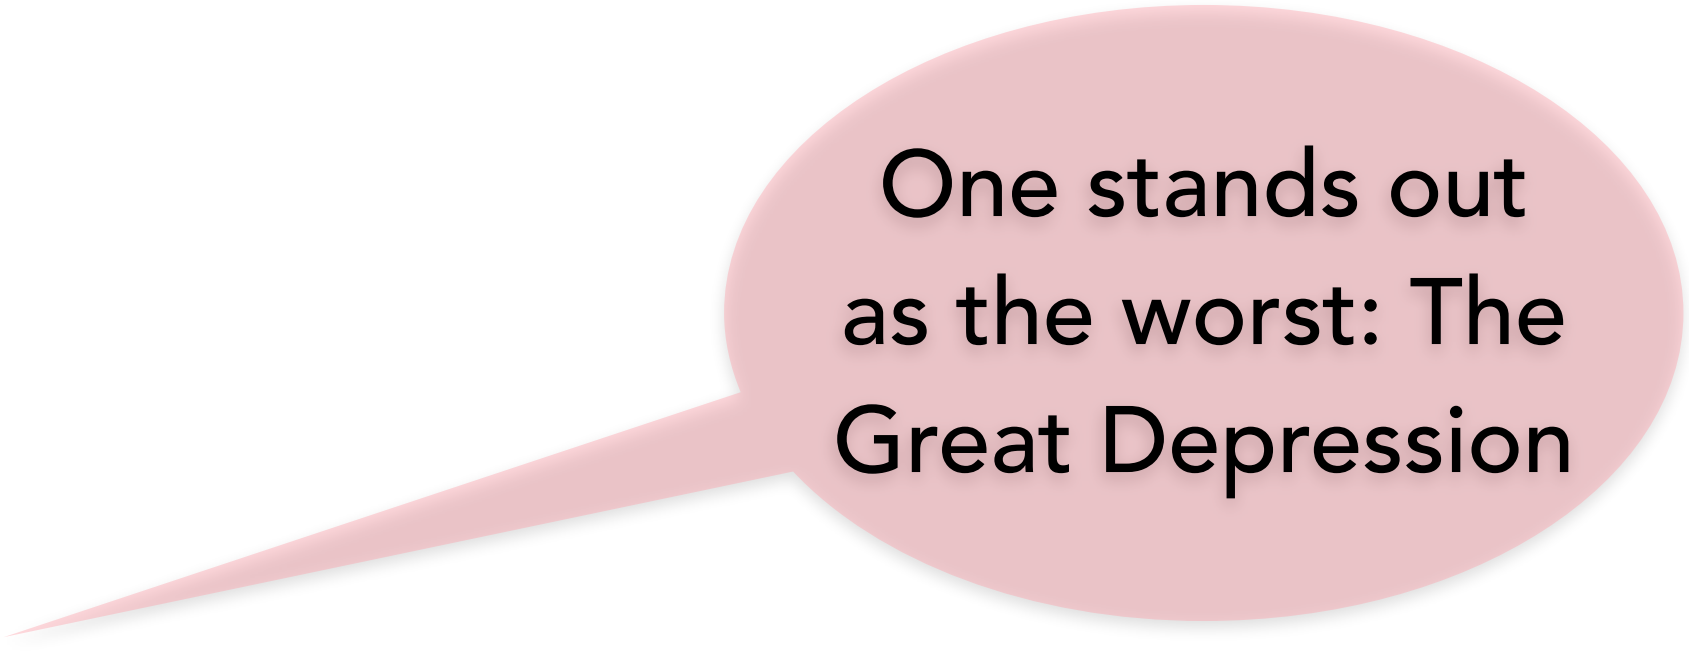

Some years U.S.
produced less than the
previous year

U.S. GDP 1930 - Present

1930

Present

A pink speech bubble with a tail pointing towards the left side of the image. The bubble is light pink with a subtle gradient and a soft shadow.

One stands out
as the worst: The
Great Depression

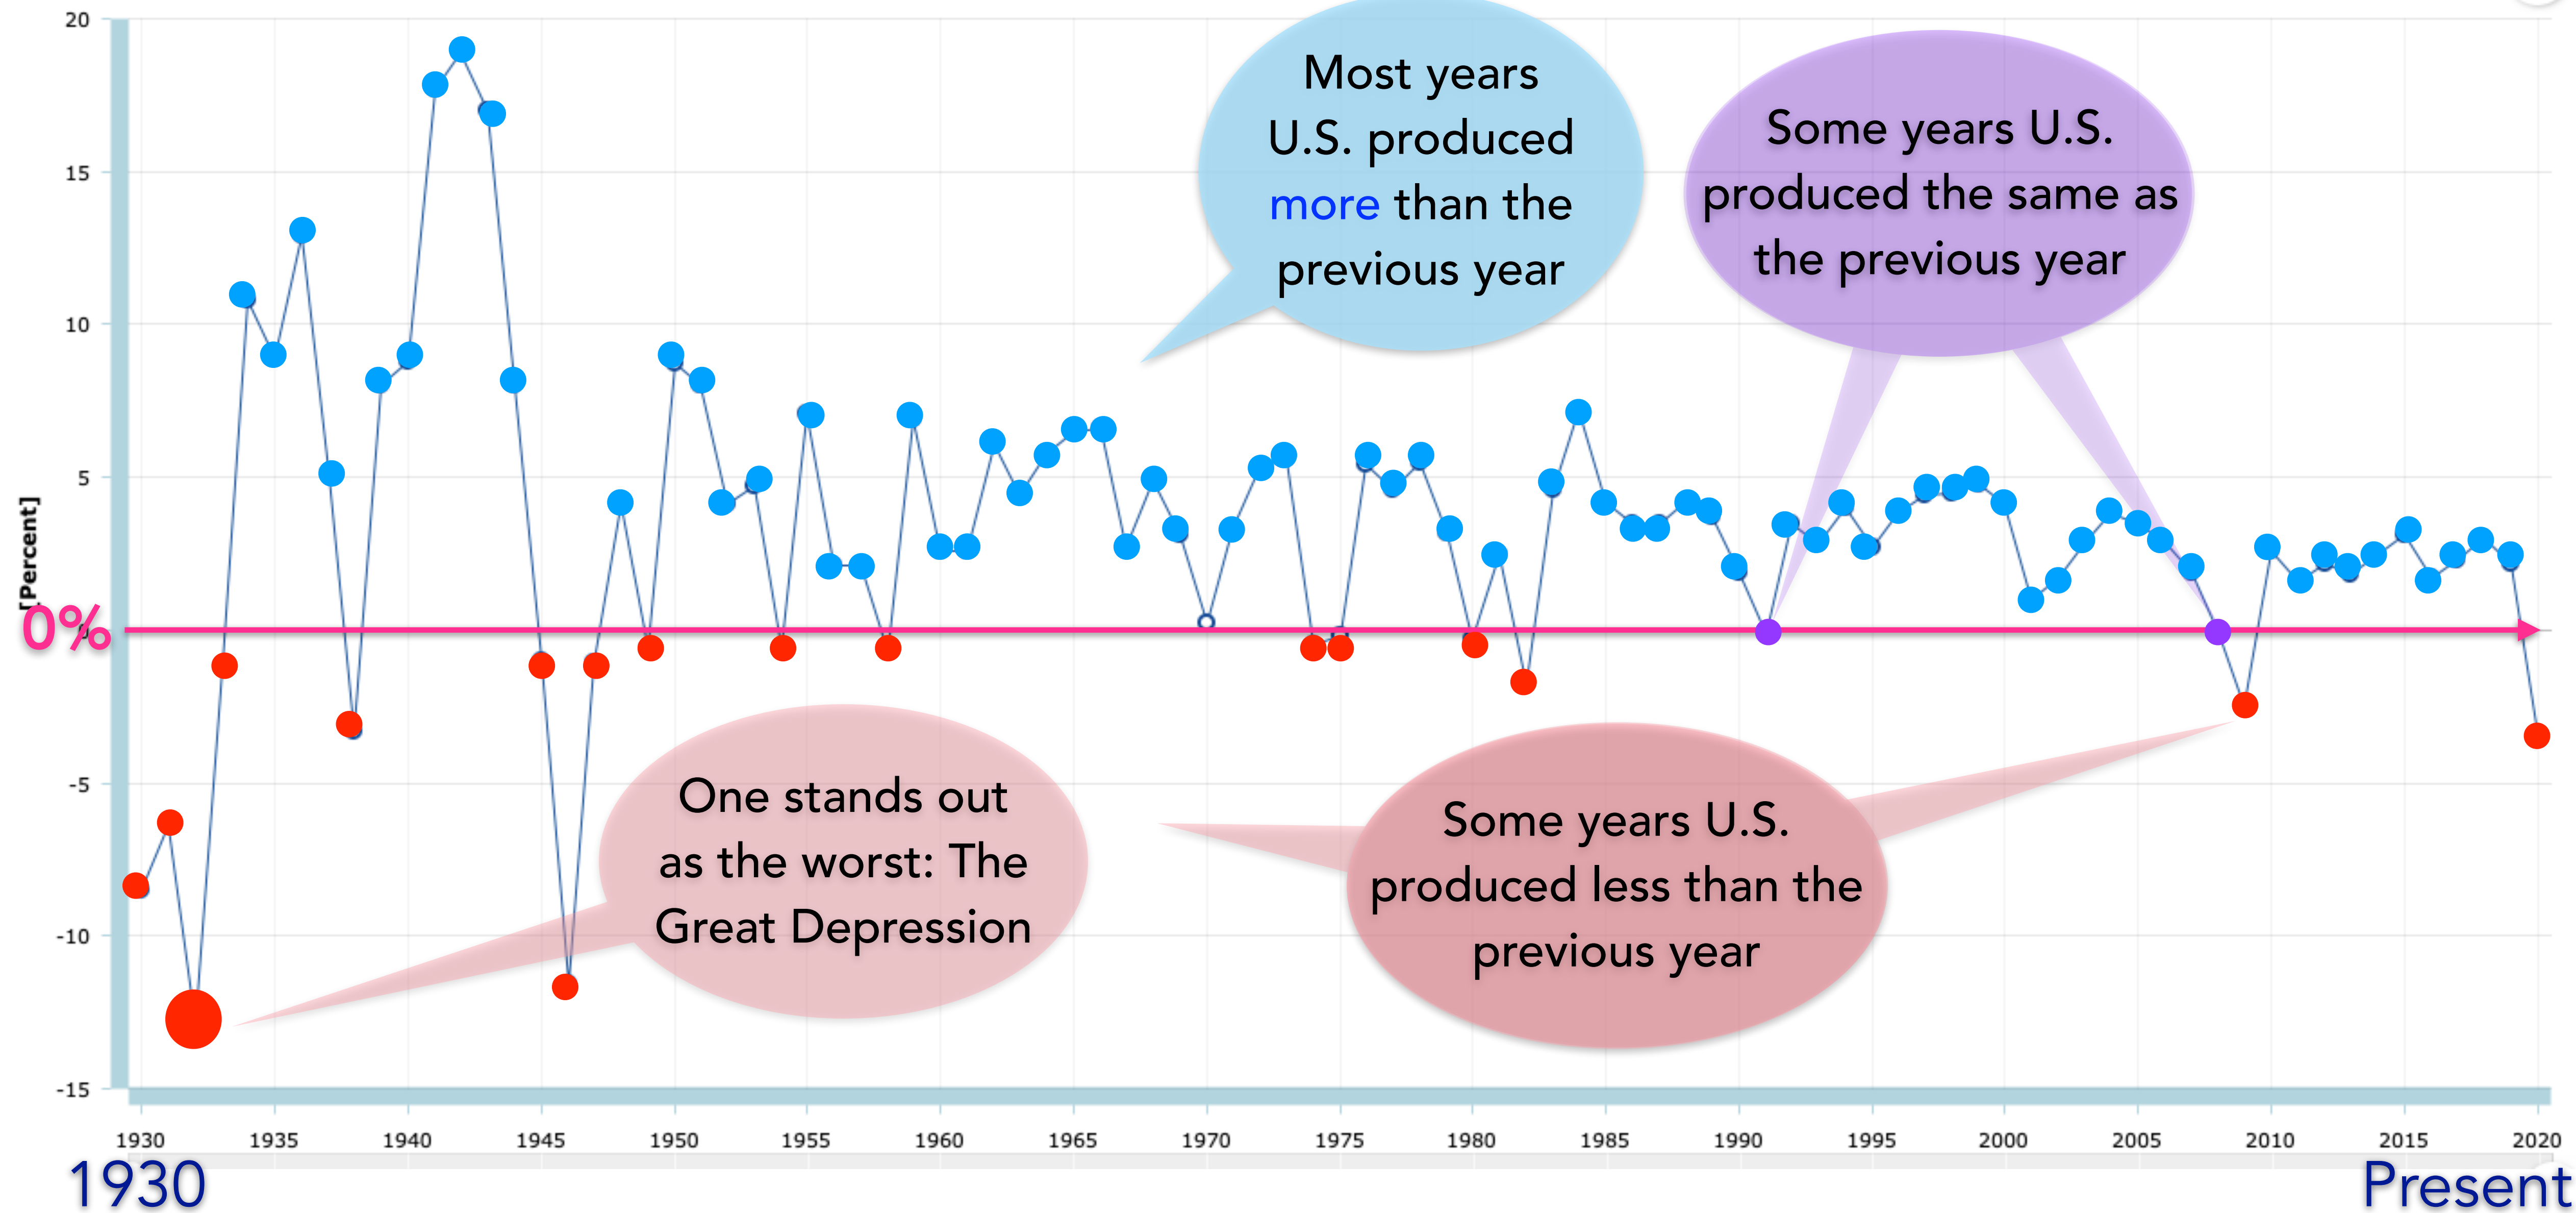

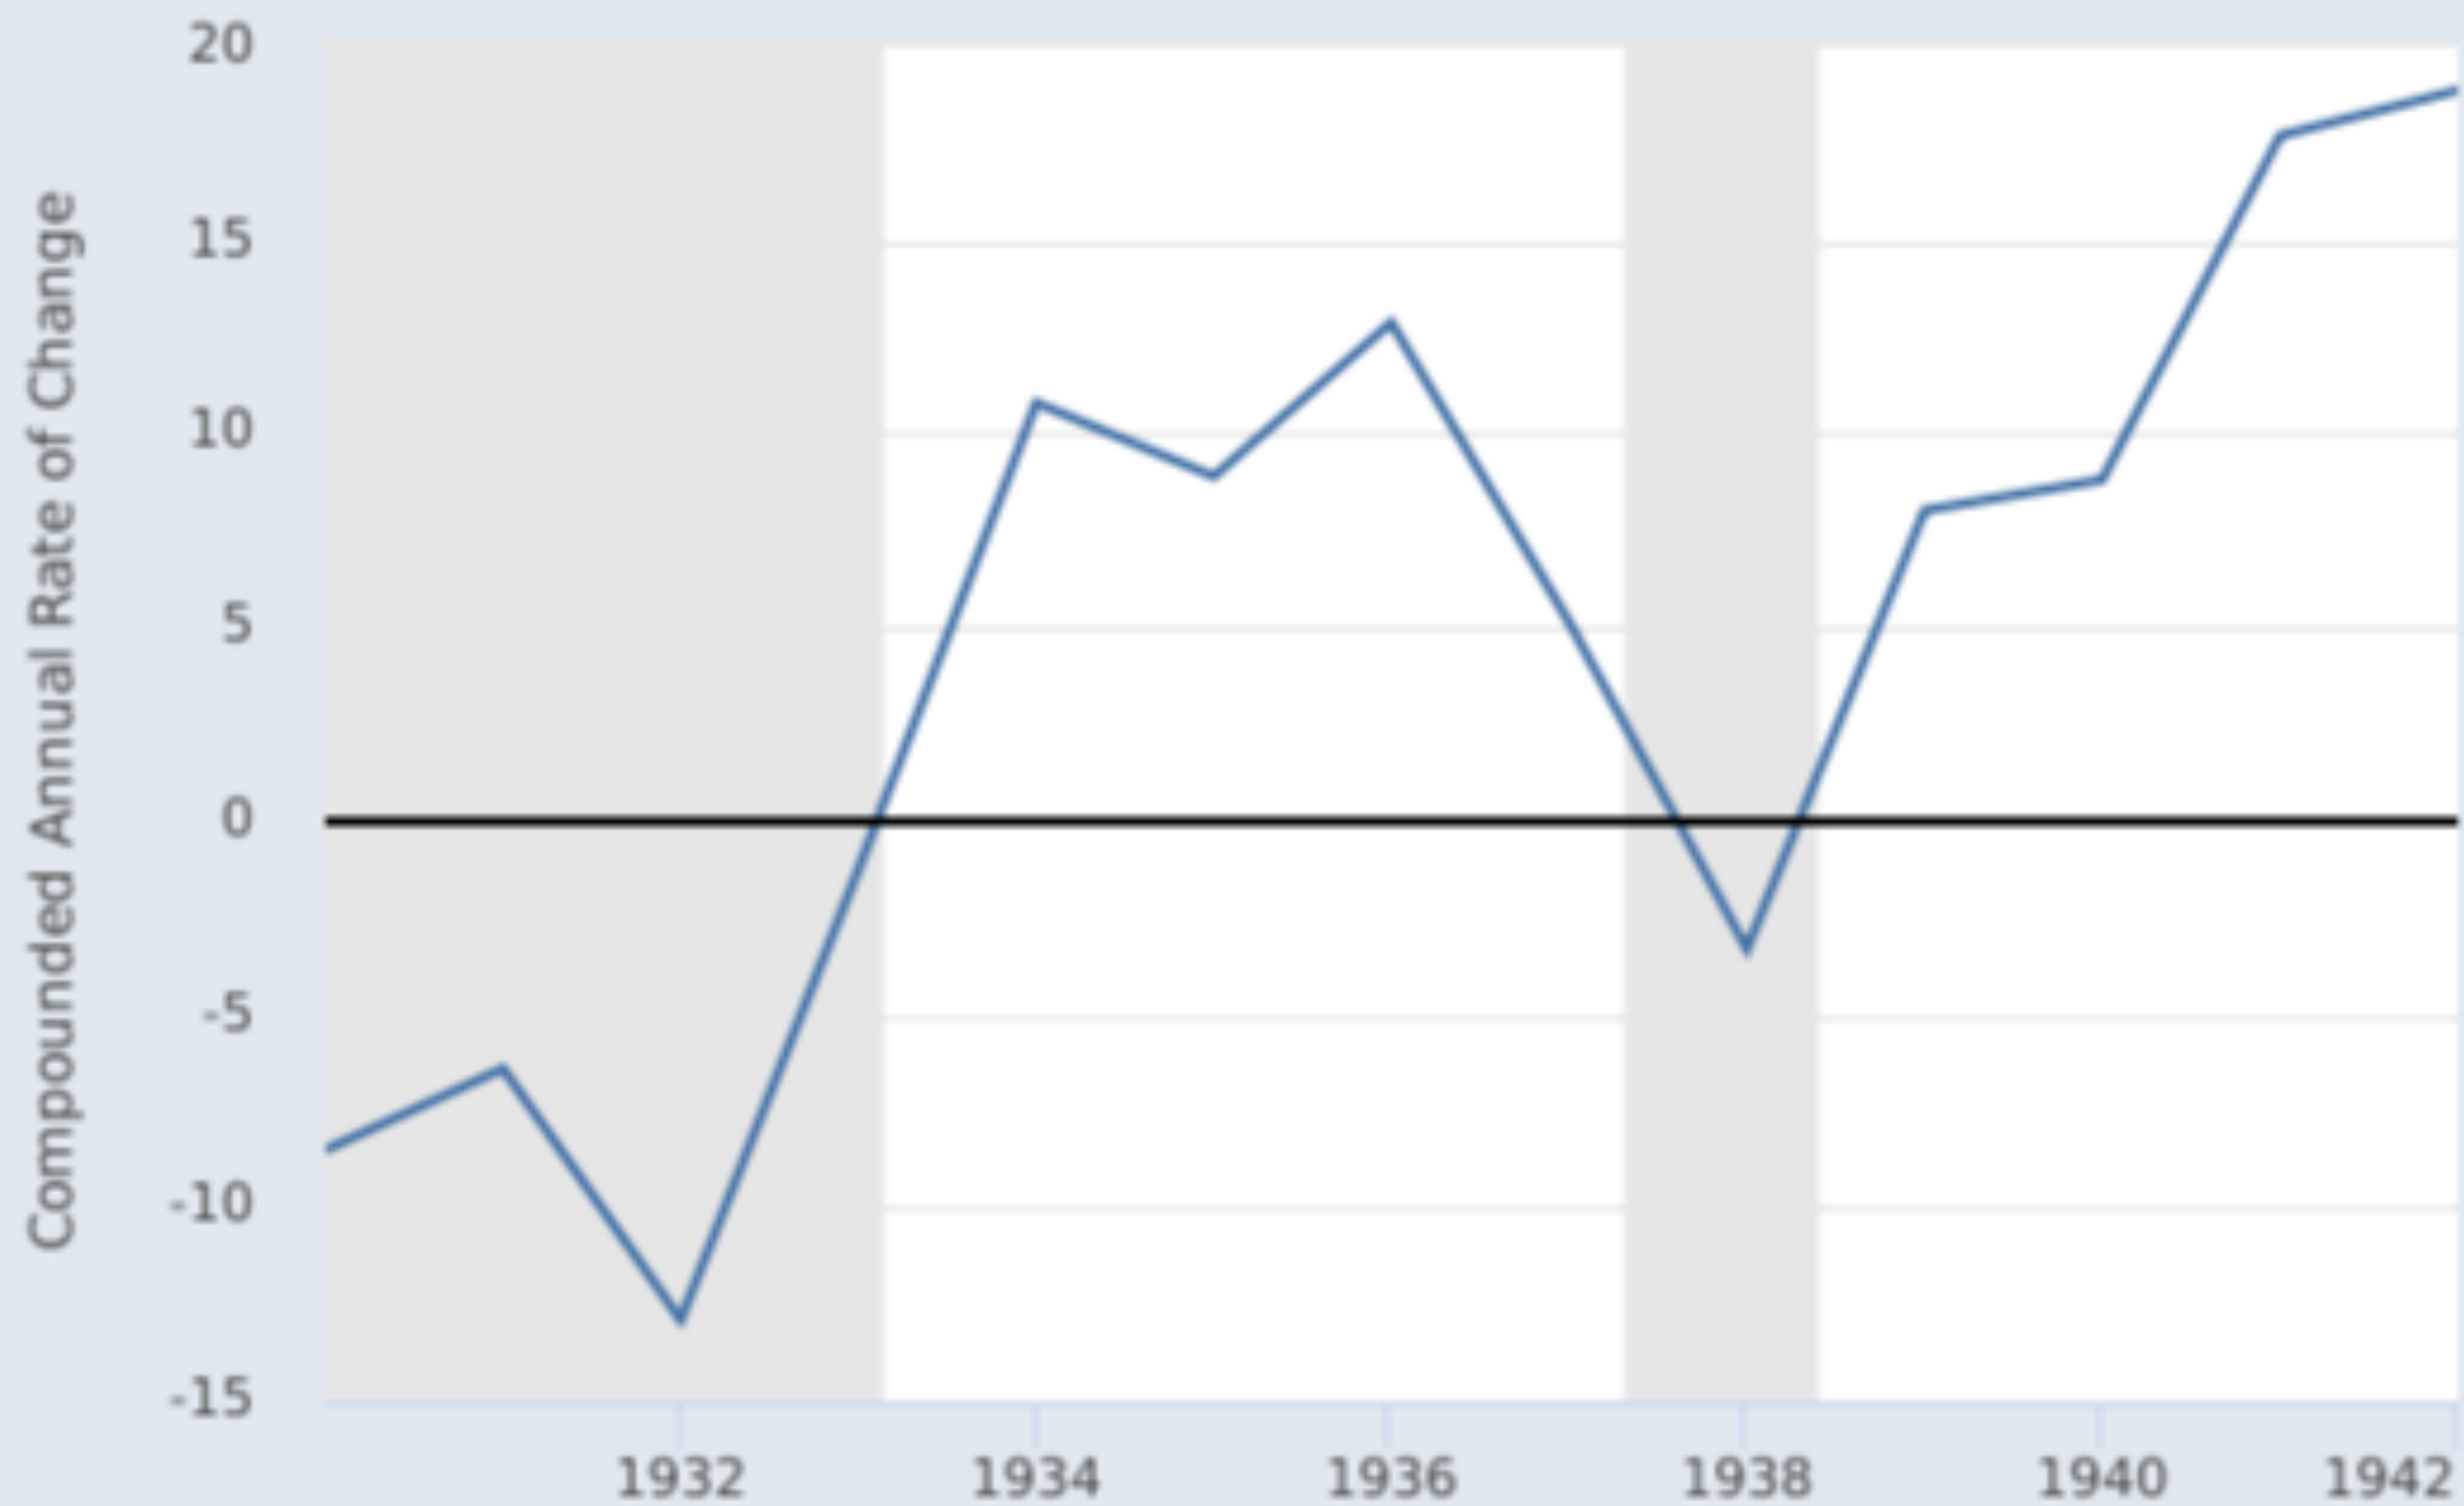

U.S. GDP 1930 - Present
