

**U.S. Export  
soybeans to China**

The U.S. Dollars are becoming weaker

1 dollar

7 Yuan

3 Yuan

American goods become cheaper for the Chinese: they

buy **more** U.S. goods

U.S. Exports increase

A red speech bubble with a tail pointing towards the top-left corner. Inside the bubble, the text "One dollar buys fewer Yuan" is displayed. The word "fewer" is colored red, while the other words are black.

One  
dollar buys  
fewer Yuan

If you are a U.S. **exporter** of goods, the goods you  
sell are cheaper. You **prefer** a **weaker** dollar
