Consumers
spent
5,000 B

Consumers
spent 4,250
Billion

A pink speech bubble with a tail pointing towards the top-left corner. Inside the bubble, the text "Consumers saved 750 B" is written in a bold, pink, sans-serif font. The text is centered and has a slight drop shadow.

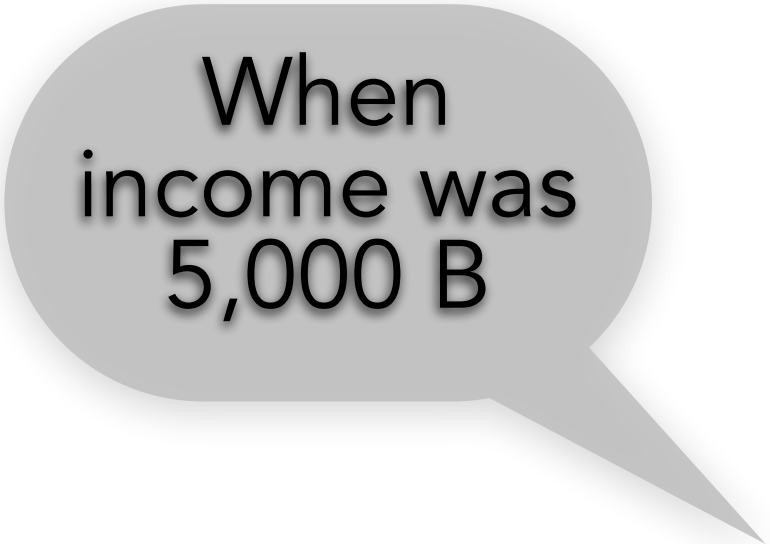

Consumers
saved 750 B

A light pink speech bubble with a pointed tail on the left side, containing text.

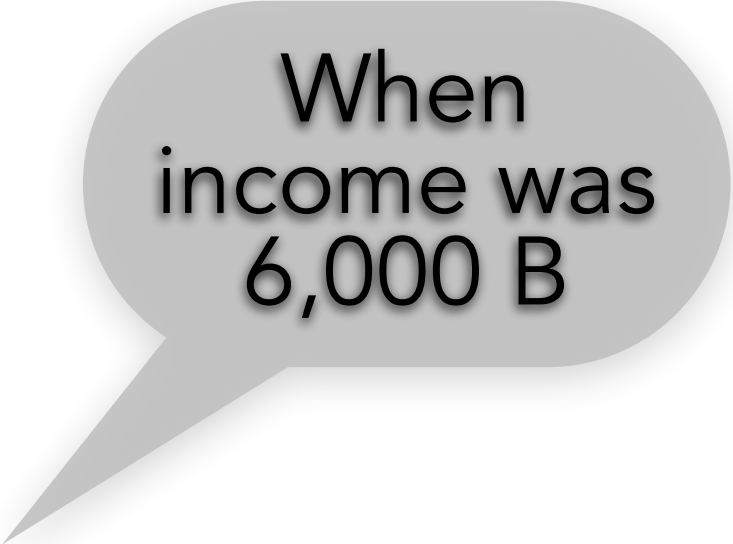

Consumers
saved 1,000
Billion

A pink speech bubble with a tail pointing towards the top-left corner. Inside the bubble, the text "Consumers saved -250B" is written in a bold, pink, sans-serif font.

Consumers
saved -250B

When
income was
5,000 B

When
income was
6,000 B

A light pink speech bubble with a darker pink outline and a small tail pointing towards the top-left corner. Inside the bubble, the text "Consumers saved 250B" is written in a bold, pink, sans-serif font.

Consumers
saved 250B

A pink speech bubble with a tail pointing towards the top-left corner, containing the text "Consumers saved zero".

Consumers
saved zero

A pink speech bubble with a pointed tail pointing towards the top-left corner. Inside the bubble, the text "Consumers saved 500B" is written in a bold, pink, sans-serif font.

Consumers
saved 500B
